I didn't want to be married. I was just 18, and had the sex drive of a wild woman. No man could keep up with me, and one man definitely wasn't enough to satisfy my needy pussy. But my parents didn't want me to get myself into trouble and ruin my reputation, so they set me up. Soon after my 18th birthday, my parents gave me a choice: I could marry the older man who was rich, or they would disown me, leaving me with nothing. I couldn't even think what it would be like to have nothing, so I reluctantly agreed to get married. After I did, I found that my husband wasn't all that bad.

TWERKING AGAIN FOR SEX

But he wasn't adventurous enough for me and I couldn't deny myself anymore. I was faithful for four months and would go crazy if I stayed faithful any longer. The next morning, a hunky repair man knocked at my door. He was there to fix my air-conditioner and had no idea it was I who broke it. Before he even had his tools out, I was rolling around on the bed showing off my yummy goods. He found me so tight, every pump of my pussy made the stranger scream. No matter how many positions we did, my pussy needed more. It wasn't letting go of the hard cock until the afternoon was over.

Presley

My parents named me after 'the king'. Throughout my life, I've had to explain that, or I'd have to live with people thinking I was male. I learned to live with it and now I think it's a pretty cool name. I had a college boyfriend who just couldn't or wouldn't say my name because he thought it was too masculine. He just kept calling be babe. Then I pointed out that 'babe' was the name of a great baseball player, so how did that figure? Well, then he changed that and called me honey. I was okay with that as long as he called me something affectionate. There was only so much of not using my real name that I could take so he had to go.

WAY TOO MANY CLOTHES

Then, I met my new boyfriend at a party and he had no problem with my name. He especially liked yelling it out when we were fucking. But it was Pres, and I liked it. He was a bit of a screamer with very loud 'ooohs' and 'aaahs' and throw in a 'Pres' every now and then and it was actually pretty hot. I especially like it when he screamed "Pres, I'm cumming, I'm cumming, Pres!" I had to keep from laughing every time we had sex. But the sex was great!

B04-BLAIR

PUSSY LAPPING 101

She was only being supportive…
how could she know it would lead to lust?

The event was listed as a debate. Two of the college's best and brightest—who happened to be one male and one female—would be arguing a political proposition in Adams Hall at 1 PM. It didn't sound like the most fascinating event of the year, but it was a grey, dreary, chilly Saturday, hardly the best time for outdoor activities, none of my friends was up for doing anything, and I was too restless to stay in. So I decided to go to the debate.

The guy who was debating didn't play fair. He kept bringing both personal and sexist issues into his arguments, and pretty quickly it became apparent that he had Sharon, the girl, unnerved. She was losing her train of thought and even losing her composure. He attacked her viciously, and she lost more ground. The more he smelled blood, the more savage his attacks grew, till finally the debate had degenerated into free-for-all name-calling. It was the nastiest thing I had ever seen.

From the murmurings around me, it seemed a lot of the girls in the audience were disgusted with Sharon, rather than sympathetic. They felt she had given up too easily, was letting him take control, was not fighting back the way she ought have. But how could she? I thought. In the face of such a vicious attack, all but the strongest would easily lose their composure. I was only surprised no one in an official capacity had stepped in to halt the bloodbath.

When the debate ended…a lopsided victory for the guy, I sought out Sharon to offer her my sympathy. It was clear from the reactions around me that most of the girls in the crowd weren't sympathetic to Sharon. And I knew she could use the support.

She didn't know me at all, but I instinctively put my arms around her in sympathy and comfort when I went up to her after the debate. When I did, she broke down in a torrent of tears, catching me off-guard. I held her, stroked her back, comforted her, then suggested we get away from the thinning crowd, out of sight of her tormentor, away from the scene of the crime. "I'll buy you a nice cup of tea," I offered. "Maybe some lunch, if you haven't eaten yet."

"I just want to go home," Sharon sobbed, "but I'd like the company if you felt like coming with me."

"Home" turned out to be off-campus housing just a few blocks away. I walked her there, picking up a couple of blueberry muffins and a couple of cranberry scones at a bakery we passed along the way. At Sharon's little apartment, we sat on the daybed and talked about college. She had a scone; I ate a muffin. She made some herbal tea.

Unfortunately, at one point I offered her my sympathy about the debate again, unleashing a fresh flood of tears. Once again, I offered my arms around her as a comfort. Once again, she sobbed onto my shoulder. But this time, as her ragged sobs began to

abate, I became aware that her upper body was pressed against mine even harder than before, and then her breathing, which was beginning to even out, had started to grow deeper and more passionate.

Sharon was showing every sign of being turned on!

I had never had a girl show any interest in me sexually before, and I had never felt the stirrings of sexual desire for another girl myself, either, but I'm not so naïve that I didn't see what was happeTning. My first reaction was astonishment, followed by feeling flattered, and then by curiosity—what would it be like to make love with another girl? Finally, desire entered into the picture. As I imagined myself with my body entwined with that of another girl, her tongue perhaps licking at my pussy, I grew agitated in a needful way, my pussy pulsating and fluttering.

When Sharon pulled away from me, her cheeks were flushed and her eyes were sparkling. She looked into my eyes, then dropped her gaze in embarrassment. I raised her face and looked directly into her eyes. "It's all right," I whispered softly. "I know."

"You do?"

"You want...you want to...you want me," I finished finally. There. I'd said it for her.

"Yes. Yes, I do. But I didn't know if you...if you...."

"I never have. But I'd like to try. I'd like to with you."

Sharon's hands were soft and gentle despite their obvious eagerness as she hastily unfastened my clothing and stripped it from me, then removed her own clothes, and drew me down flat on the daybed. She covered me with kisses, trailing her way from my lips down.

She puckered her lips and softly brushed my receptive skin with darting kisses and quick tongue-flicks, covering every inch from my lips, down my chin and neck, across the top of my chest, down to my nipples. At my right nipple, she flicked her tongue tauntingly across my rose-beige nub, stiffening it into a little finger of want. Swirling her tongue around the wood-hard promontory, she left a glistening sheen of saliva on my nip, then blew on the moistened organ and left me tingling at the feel of the airstream titillating my peak.

Moving over to my left nipple, she kissed it, and I expected her to repeat the process, but instead she grasped it lightly between her teeth. She began scraping upward with cautious teeth, tantalizing my nip with her scraping teasing. When she had both nipples in a state of high excitement, my pussy responded and began oozing love-lube rapidly. I felt all the muscles in my body growing tense, especially in my thighs.

My ass began undulating on the bed, moving as if with a will of its own. My heat had soared to the point that I could no longer hold still on that bed, and my ass began bouncing up from the bed. Each upward thrust made my pussy that much hotter, till finally I choked out the words, "Touch me. Touch me there."

Sharon smiled knowingly, but she didn't accede to my wishes right away. She did, however, begin to progress toward my pussy, her mouth leaving my nipples and making its way down the expanse of my lust-tensed, flat belly, farther and farther, till at last she'd reached the outskirts of my pussy-bush.

When Sharon's lips were lost in the tangled thicket of wiry pubes, her tongue snaked out again, and she began to lick my skin through the jungle of hairs. Then she started nibbling, taking love nips till she was right over my labes. She nibbled my labes and teasingly nipped at them. I was so hot, I couldn't stand it! I needed her to do something bolder, something less teasing and more satisfying. I let out a groan of pure frustration. Sharon got the message.

With a knowing chuckle, she thrust her tongue out and speared between my lust-swollen labia, making contact with my honeyed inner slit. My hips lurched upward and I really groaned long and loud when her tongue swiped up and down my juice-slickened slot and came oh-so-near to my clit without quite touching it.

"Lick it! Lick my clit!" I groaned, going out of my head with total frustrated need.

Sharon burrowed into my slit and her tongue waggled its way to my passion peak. She made contact with the very tip, and she quickly began vibrating her tonguetip back and forth across the tip of my clit, brushing all the nerve endings. Suddenly on fire, I flopped around on the bed like a landed marlin. My body was totally out of control. I bucked and heaved as I drove toward a much-needed orgasm.

But Sharon had other thoughts. "Why don't you do something for me for a while?" she asked. "There's

no rush to finish."

I was in every rush to finish. But I could see her point. She might have been concerned, too, that, since I'd never done another girl before, I might leave her high and dry...if "dry" is the right word here! Once my passions had been satisfied, I might go cold on her. I couldn't blame her.

And it's certainly true that I was a little uneasy when suddenly confronted with the point at which I was expected to do something for Sharon. I wouldn't really leave her hanging...but could I actually put my mouth...there? I compromised at first, offering her a finger. Touching her thigh, I traced little patterns on her smooth, firm skin for a minute or two while I got myself used to the idea of touching another woman's pussy. Then I slid my way cautiously up to her bush. I could feel the heat emanating from her overwrought slit as I parted her thick, lush labes and slid a hesitant finger into the moist heat of her sloppy slit.

But it felt like old familiar ground. The inside of her slit felt like the inside of my slit. Her clit felt very much like mine. Stroking it, I found, was not that different from stroking my own except that I didn't get the corresponding tingles in response. I ran my finger around her exposed passion peak and enjoyed the way her body twisted and jerked and humped and writhed in reply.

Hmmm...maybe going down on her wouldn't be as challenging as I had thought. But I wasn't quite ready yet. I fingered her clit a little longer, loving the sense of power I felt as her body contorted and writhed under my actions. Then, leaving my hand on her passion-soaked pussy, I shifted my body so my mouth was next to her breast. And I began to suck.

As my finger twiddled her clit, my tongue echoed its motions, working over her nipple, and my mouth sucked. And sucked. At last, with no prompting from Sharon, I felt ready to close in on her clit with my mouth. Abandoning her full, lush breasts to travel south, I tongued my way down her quivering belly, through her richly soaked bush, and into her slit.

Taking a deep breath, I made contact with her clit. Her juices were all around my tongue. Her drenched clit was laden with her womanly outpouring. And I tasted pussy-juice for the first time. It was acrid and tangy and rich...and, if it didn't turn me on instantly, like the taste of a guy's cum, neither did it turn me off or gross me out. Deliberately I scooped up another tongueful of the stuff. And found that the taste was beginning to grow on me.

Then I squirmed around so my body was on top of Sharon's and my pussy was over her face. Burying my own face in her richly fragrant muff, I thrust my tongue back onto her clit while needfully grinding my pussy down onto Sharon's face. I could feel my juices leaking from my quivering hole and coating Sharon's face; her juices drenched my nose and cheeks and chin and lips as well.

We bucked against each other like a pair of rodeo horses in tandem, our bodies writhing like eels. I increased the delight for Sharon by thrusting three fingers up inside her clenching tunnel, driving them in and out and fucking her deep and hard. She began to moan, and I knew she was close to orgasm.

"Yes! Yes! Yes!" I urged her, mumbling into her slit as I continued tonguing her. Soon my Yess were merely grunted Unghs and Uhs, and then Sharon was grunting too as she strove hard to reach that peak she was almost in reach of.

I got there first. I surprised myself. I was so focused on getting Sharon off, I didn't even stop to think of my own climax, and when it hit me, it startled me. My body peaked, shuddering into satisfaction till my toes curled. I screamed a little. Then Sharon screeched, and I realized she was cresting too.

When we had both begun breathing normally again, and I knew the storm of climax was past for both of us, I squirmed around again and lay facing Sharon. We put our arms around each other and kissed each other as we held each other. The taste of my juices on her lips intrigued me. With my newfound appreciation for the taste of pussy-juice, I licked her face innocent of any hint of my outpouring, and she giggled and did the same for me.

The licking grew sensual, and soon we were off on another round of pussy-lapping, our bodies heaving as we both grew caught up in the throes of passion. I remember thinking, Now, here's something I didn't expect to learn in college—the joys of pussy-lapping. Then I was so caught up in sensations that I couldn't form any more coherent thoughts.

And to think, if there'd been anything more interesting to do on that day, I wouldn't have gone to the debate at all. Life's funny... and pussy-lapping is delightful.

Kimberly

My name is Kim and one night I'm sitting on a chair in front of a wall length mirror and I'm enjoying being the center of sexual attention for my bff and her boyfriend. I'm relishing being completely naked apart from a pair of stiletto heels and some expensive perfume with my legs wide open. My girlfriend Sydney is watching with rapt attention, as I enjoy her man Phillip licking and teasing my bald pussy lips as I tease my erect nipples.

I LOVE EXPLORING MY NEWFOUND SEXUALITY WITH BOTH MEN AND WOMEN.

Phillip told me I'm a very sexy lady with a voracious sexual appetite, which I must admit I made full use of when I visited them last time. We had a sizzling threeway and have had a few ever since then. I recently discovered, with a little prompting from my bff, that I was bisexual, though I didn't need a great deal of prompting. For a year os so, I had been really anxious to fuck a female, and Sydney was the perfect way to get into women. Thank you, girl!

molly

I once told a guy that I wanted to feel his cock inside my pussy. He told me to get on top of him. I had to confess then that I had never gone all the way before. He was surprised, and told me that he'd try to be gentle. I climbed on top of him, positioning myself so that the head of his cock was at the very opening of my love tunnel. I was starting to get scared, but he told me to just relax. He grabbed my hips and started to lower me down onto him. I wanted to scream, but instead I just gritted my teeth. He pushed his hips up, and pressed down on mine, trying to fit himself inside of me.

SEEMS THAT THE OLDER I GET, THE HORNIER I GET. AND IT LOOKS LIKE I'M HORNY RIGHT NOW.

Finally I felt him slide in. I let out a cry, and he pulled me down close to him. He stayed still inside of me to let me get used to him, and then slowly started pumping in and out. With every thrust, he'd go deeper, and although it hurt, it was starting to feel good, too. He bucked his hips, and he went all the way inside of me. I could feel his balls smashed against my asshole. He told me he didn't want to cum in me this way, and he lifted me completely off of him. My tight pussy felt so stretched and sore, but I enjoyed the feeling. I quickly got on my knees and he ultimately came in my mouth.

Seems like every time I go out drinking. I'd get myself into bad situations. One night while at a local bar, it was having Karaoke time and I was sitting there listening to the singers. I was feeling a little lonely from my recent break up. By 11 that night, I had a nice buzz on, when this guy walks up and asks "if he can join ME". I say 'ok' and he introduces himself as Ian from a nearby town. So I'm starting to feel good from the buzz and this guy being interested in me.

LISTEN...! I LOVE THE SOUND OF A ZIPPER GOING DOWN AND A COCK POPPING OUT.

So I'm starting to feel a stirring down inside. Ian and I sit there talking and drinking. He asks me if I want more and she tells him 'no'. Meanwhile, I'm beginning to think I'll get lucky tonight, and maybe find someone to see on a steady basis. Then Ian asks me to dance and I gladly said 'yes'. As we danced, we talked more and got more personal with each other. At that point he leaned down and kissed me, and what a wonderful kiss it was. That made wonder even more what kind of lover Ian is. Tonight, I'll find out!

a race to finish

I have to admit that one of the best sexual encounters I've ever had was with a guy who had a huge cock. Some ladies think that too big hurts when you fuck. I've mastered giving head with my mouth and hands so that the guy feels like it's all in. I love the long schlong and just cannot get enough if it. Men love that!

The guy I'm talking about, Seth, was a race car driver on a pro circuit that races in a different city every weekend. This particular weekend they were in mine, Phoenix, and I was talked into going to the races by my girlfriend, Maria, who had an "in" with the race promoter. She said we could meet some of the drivers if we wanted to. That comment made me feel like a groupie at a rock concert, but I agreed to go anyway. The weekend came around and we went to the track, watched the race (kinda exciting, but not my cup of tea!), and then, after the crowds went home, we went down to the pits and met some of the racers. Maria's friend introduced us to a few of the teams and then to Seth's. He came in third, but had led for most of the race. By the time we got to his pit, most of their stuff had been put away, so Seth and his pit chief invited us up to the clubhouse for drinks. I didn't want to go, but everyone else did, so I tagged along.

After a few drinks, I was feeling tipsy and engaged in the conversation. Seth actually turned out to be a nice guy and kept us engaged and laughing. Little did I know that was just the start of bigger things to cum. It was now well into the evening and we hinted at going home. Seth, apparently, did not want the evening to end and invited us to his room. Feeling adventurous, I decided to go with him, but my friends both declined.

We went to his suite and sitting on the sofa, he continued with the racing stories. Then he came over and started kissing me deeply, shoving his tongue as deep into my mouth as he could. I moaned with pleasure as his hands moved down and tore my blouse open and began fondling my breasts, kissing each one and then kissing me some more. Then, he pulled my skirt and panties off in one swift motion and before I knew it he laid me back on the sofa, pulled out his huge cock and pushed it inside of me. I shouted out loud with pain and then pleasure, and after few deft strokes he got into a rhythm that filled me with ecstasy and I came within five minutes.

He pumped furiously a few more times and as I sensed he was about to cum, I pulled his cock out of me and was amazed at its size. My hand did not go all the way around it. I pushed him back, stood up and

looked down at it. After a moment I looked at him and was about to say something when he blurted out that if he let me see it before we fucked that I wouldn't do it with him. I chuckled at him and said it was all right. I enjoyed it. Wasn't it obvious, I came immediately. I got on my knees and started to give him a blow job. The cock's head was just enormous. It was almost the size of a tennis ball but purple with an inch long slit in it. The shaft was long and thick. Like one of those English cucumbers but fatter. Blood vessels were bulging and it looked like a Medieval battering ram.

Undaunted, I took it in both hands and began licking it all around. The taste of my pussy juices was replaced with liquid from my mouth and I grabbed the shaft with both hands, pulling and pushing it as I sucked on the head. I slid my tongue into the slit and wiggled it around tickling him. I moved down the shaft to his balls. I noticed that they were normal size and I tasted them. As I looked up, that huge penis extended to his navel! As I slipped a hand up to it's tip, my arm was just a little longer than his cock. My eyes opened wide with amazement as I licked up the shaft and back onto the tip of his cock. I got the head and a couple inches in and managed to get him off.

Suddenly, there was a knock at the door. Seth quickly put on his boxers and I hid under the covers. He opens the door and I hear Maria's voice. I hold still under the sheets, and then -- swoosh -- they are pulled off me exposing my nakedness, and embarrassment to both of them.

"Funny seeing you here. And like this." Maria says with a smirk in her voice. I try to cover myself with my hands but realize I can't and just let it go. They both stand by the bed and pulled me up. Seth pulls me close and Maria leaves the bedroom. I hear a low growling noise and ask what that is. Seth reassures me that it's nothing and a moment later Maria comes in and takes us both by the hand out to the Jacuzzi in his suite. She has done this before, I thought to myself. By the tub, Maria takes off her clothes and Seth drops his boxers. They get in and beckon that I do the same. I step into the warm turbulent water and settle into one of the bench seats.

Seth eases across the Jacuzzi and settles between Maria's legs. She opens them to accept him and closes them around his waist pulling him to her. I moaned at the sight. Seth slowly stands with his erection and she obediently opens her mouth and takes him in. Seth watches his cock slide in and out of her talented mouth. Maria wraps one hand around the base and another around the shaft. She runs her tongue up the side and takes the head in her mouth. She hesitated then slowly took him in until her nose touched his abdomen.

Seth watched his cock become wetter and wetter as Maria coated it in saliva. She formed a perfect "O" with her mouth and took the head in again and started to pump his cock with her hand. Maria used her other hand now and started to softly play with his balls and this produced another groan from Seth. He pulls his hard cock from Maria's mouth and leans her back so he could get to her pussy and started to return the favor. Seth used his tongue to lick up her slit and across her clit. He slowly licked back down and forced his tongue up her pussy as far as he could.

Maria was already very wet from having that hard cock in her mouth. Seth slowly licked her outer lips and traced his way back to her clit and slowly sucked it into his mouth. Maria brought her hand down to hold Seth's head in place. Seth then stopped, turned her around, bent her over the side of the tub

and started to do the same to her asshole. He spent a few minutes licking the tight ring while using his hand to play with her pussy. When his finger was coated in pussy juice, he started to rub her anus and work his finger in. Maria couldn't believe how good this felt. She was very aroused by the new sensations and found herself pushing back against Seth's finger trying to take it all in.

I was watching the scene unfold and slipped a finger into my own pussy. I could see Seth's finger was almost completely inside Maria's tight ass as he reached around with his other hand and started to rub her pussy. Seth knew she was close already and wanted to cum. He suddenly sank the remainder of the finger in her ass and one into her pussy. Maria screamed as her orgasm quickly rocked her body. I was nearing one myself but stopped because I didn't want to cum so quickly. I grabbed a nearby bottle of lube and filled my hands with it and proceeded to coat Seth's cock. I then moved to Maria's round ass and massaged some into her anus. I couldn't resist the urge to work a finger into Maria's incredible ass.

He positioned his hard cock at her back door entrance and slowly started to push it into her. Seth continued to work his cock deeper into Maria's bowels as she did her best to relax and take him in. Maria was learning quickly and the pain was turning to pleasure. After several minutes Seth finally had his entire cock in her ass. Seth could tell she was adjusting to him quickly so he only paused a second before he started to slowly pump his hard meat in and out of her ass. He knew he would not last long. Maria's excitement was sending him to a quick orgasm but he didn't want to cum without her.

Seth started to move a little faster but the feeling was too much for Maria. Maria felt her whole body come to life as she came. Seth came as he felt her ass tighten around his cock. Maria even liked the feeling as he came deep in her bowels. Seth collapsed on her back and nobody moved for a minute of so. Seth finally pulled his softening cock from Maria's ass and the three sat in the warmth of the Jacuzzi coming down from the erotic high.

I started to say something and stopped. Seth drifted over to me, took my hand and put it on his cock under the water. Even in his after-orgasm stage it was still large and hard. I stroked it back and forth as he looked directly at me. I don't know how Maria took such a large thing up her ass unless she did it often. Maria could see my hand working on his cock under the water. He stood up, warm water dripping off him and my hand was still attached to his cock. Maria slides over and quickly takes his cock in her mouth. The both of us work in unison, sliding up and down his shaft.

Without even thinking, Get behind him and push him over at the waist. I take my hand off his cock as Maria continues sucking him off, and spread his ass cheeks apart. My tongue speeds to his butthole and I begin licking the pruned hole furiously. I feel him moan over the Jacuzzi's motor and I stick my tongue inside him. Maria reached around and grabs his butt cheeks spreading them even wider. This frees my hands and I begin fingering his ass with one hand as the other slips under him and mashes his balls. I move my finger in and out in sync with Maria's blow job and within minutes Seth is spurting deep into her throat as I jam a second in to heighten his orgasm.

By now we are all completely exhausted and go over to the bed to get some rest. Next thing I know it is nine in the morning as the phone rings. Seth answers and bolts out of bed. I ask what's up and he says the race starts in an hour and he is going to be late. I wake Maria up and we push him back down on the bed. Looks like the race may go on without him today.

Khloe

Khloe a nymph, a total sexual tigress in the bedroom. She loves cock, craves it and can't ever get enough of it. She dreams about it at night and spends her days looking for hot, young guys to fuck or play with her collection of toys. The only cock she wasn't getting any action from was her boyfriend's. The 19 year old hadn't seen a problem at the start of their relationship, but now her boyfriend just couldn't keep up with her needs. It had been a few days since she had been banged hard and fast, so she decided to take matters into her own hands while he was away.

MAKE THE MOST OF SEX

Just as the horny vixen was slowly sliding her fingers into her warm, inviting pussy, her trainer walked in looking for her, ready to start their work out. Having just started her own exercise routine, the lithe brunette wasn't going anywhere. And the trainer was going to help her work her favorite muscles. The neglected Khloe begged for it in every position until she could barely keep up with his thrusts. Her pussy was spasming and she was moaning and panting. This was the best exercise ever.

Kiars

Moving back home to live with her parents after college with no work and no place to go wasn't exactly Kiars' dream situation. Living back at home was the last thing she wanted, but there seem to be no other option. Until she found a steady income, she would be stuck under their roof. She was thankful, but she wanted her own place. Someplace where she could do what, and who she wanted, whenever she wanted. The other day her dad's best friend showed up at the house early for a meeting the two men had scheduled. A mistake? Her dad wasn't home.

I THOUGHT THAT HAVING LOTS OF SEX COULD HELP ME ACHEIVE MY FUTURE GOAL OF

She could only think of one thing, how much she wanted him to pump her pussy sore right there and then. They were home alone so who was to know? Kiars knew he was married, but who could resist perky boobies and a tight kitty like hers. One look at her dripping young slit and one feel of those young eager lips across his cock and the guy melted. Her pussy really needed a big strong cock working it hard. The horny student needed it bad. She begged her fuck toy to never stop. She was shaking with pleasure, her kitty was spasming and all she could do was whisper for the guy to fuck her faster and harder.
